Your role	**Your team**
	Parliament / Council / Commission

1. The most helpful member of your own team (not yourself)

Role

2. The most problematic member of your own team (not yourself)

Role

Commission players (a team of one or two) skip questions 1 and 2.

3. One other team you support in the media

Parliament / Council / Commission

4. One other team you criticise in the media (a different team from question 3)

Parliament / Council / Commission

How it counts: named most helpful by at least two teammates, +1; named most problematic by at least two teammates, -1; Commission players cannot score or lose these points. A team's media balance is its supports minus its criticisms; members of the team with the highest balance get +1, members of the team with the lowest balance get -1. Ties share the result; if all three teams tie, nobody gets anything.
